Rock'er

Our Rock'ers are fantastic for those who like to move, or who benefit from the option of adjustable tilt. The durable Velcro flaps allow you to 'lock' the rock at different angles to assist in head control.

Roll'er

Our Roll'er chairs are ideal for moving room-to-room, whether that be at home, school, or in a therapy setting. The Roll'ers solid wood base allows for accessories to be mounted securely such as a Push Bar, Activity Tray, or Ottoman Support Kit.
