## Custom Cushions Available

Your comfort is our number one priority. If the cushions in our standard Posture2Go set aren't providing you with the best posture support possible, we can custom make cushions specifically designed for your positioning needs.

## Why Posture2Go?

People living with motor impairments often have difficulties switching positions, which can result in a variety of different health problems. Posture2Go Positioning Cushions can help prevent these health problems through 24 hour posture care, which improves overall positioning and comfort. Additional benefits include improved quality of life, reduced stress and enhanced participation.

Contact us today to learn more about how Posture2Go Positioning Cushions can make a difference in your life or the life of a loved one.
